Mr.Bee

www.fugenx.com

There is no way Mr. Bee should be able to fly. His wings are too small to get His fat little body off the ground. Mr. bee, of course, flies anyway because he doesn't care what you think is impossible. Mr.Bee has been the awesome bee in the locality. Having won the "Dude of the year" consecutively for last 3 years, he is all set off to explore new worlds and new seasons. Join Me.Bee as he glides, slides through rocks and fire using parachutes and balloons. Beware of the birds and bee catchers as you complete the objective sets.

 Available on the
Android Market

Mr.Bee

DogEaters Manga 1

www.fugenx.com

DogEaters Manga 1 is an exciting game that enthrals you. Mankind failed to transcend the Petroleum Age. The Die Off killed nine out of ten people worldwide. One hundred and seventy five years later, civilization consists of scattered nomadic tribes, isolated casino-cities, and roving bands of predatory bandits. This is the world of the Black Dog Clan.

The Black Dog Clan's caravan is making its way down trade route towards Three Palms, a casino-city in the American Southwest, when it rolls into an ambush. Roaches have waylaid Bevan, a Northerner, and his burning vehicle has blocked the road. After a fierce firefight, Tracy persuades the chief, her father Lamont, to take Bevan with them.

Features

- The user gets the score according to the time taken and number of life line used to clear one level.
- Once you clear one level you will come across a question related to the seawater fish on giving correct answer you get one life line as bonus and on giving wrong answer, one lifeline is deducted from the next level.
- In fourth level you come across a star fish try to avoid it as it stuck the movement of the fish.
- As you move towards the higher level the number of enemy fishes increases so in order to play your game safely you get the safeguard which gives the power to escape from the enemy fish for 20 seconds.
- The safe guard is achieved by eating 5 Neon tetra fishes available in those levels. Every time the user fish eat those fishes it gets a safeguard across it.
- Once all the lifeline gets expired, the user gets an option to reset the whole game or to reattempt the same level in order to unlock the next level of the game.
- The next level remains locked for the user till it has cleared the previous one.
- You can share your score with your Facebook friends and challenge them to beat your score!!
